ARTICLE 3 COMMITTEES

- 3.1 General.** There is a need from time to time to establish committees to complete specific tasks of the Association. Some of these committees will be of long duration and others on an ad hoc basis. The fulfillment of the Association's responsibilities is charged to the BOD by the membership. Therefore, it is prudent for the BOD to establish certain guidelines under which appointed committees will accomplish their assigned tasks.
- 3.1.1 Establishment.** Committees are established under the authority of and in accordance with the Association Documents, or at the direction of the BOD.
- 3.1.2 Membership.** Membership on committees is open to all residents of Montclair, i.e., a property owner in good standing. However, at least one committee member shall be a member of the MPOA. In the case of the Election Committee, all committee members shall be members of MPOA, but no committee member may be an active candidate for the Board of Directors or an immediate family member, significant other, management company employee or their immediate family members.
- 3.1.3 Attendance.** Attendance of committee members at monthly or scheduled committee meetings is vital to conduct business and vote on actions pending before the committee. Since quorum is required to vote on actions during a meeting, the following rules will apply to all Committees. Any member who has missed two-consecutive meetings will be considered inactive and not considered in determining quorum. Any member of the committee who misses half of the yearly meetings will no longer be considered a member of the committee. It will be the responsibility of the chairman to keep track of meeting attendance; a committee member may request an appeal to the attendance guideline (i.e., medical emergency, Temporary Duty, Military Orders, etc.) through request to the committee chairperson. The request for appeal will be recorded in meeting minutes and duly reported to the Board of Directors.
- 3.1.4 Voting Rights of Committee Members.** If two persons from the same residence are members of a committee, each is entitled to vote on matters coming before the committee. A member of a committee shall be entitled to one vote regardless of the number of lots owned.
- 3.2 Definitions.**
- 3.2.1 Committee.** An organization established by the MPOA Association Documents or by the BOD to perform certain assigned tasks.
- 3.2.2 Standing Committee.** A committee established to perform long-term or continuous tasks.
- 3.2.3 Ad Hoc Committee.** A committee established by the BOD to address a specific issue.
- 3.2.4 Committee of the Board.** A committee made up of Board members appointed by the President and tasked with functions that fall under the BOD's purview.
- 3.2.5 Charter.** A brief formal document, which outlines the assigned objectives and tasks of committees. The charter is effective when it is approved by a majority vote of the BOD present and voting at a meeting of the Board.
- 3.2.6 Chairperson.** That member of the committee who is appointed by the President to lead the committee. In the case of the Election Committee, the Chairperson shall be a member of the Association, but not a member of the Board, an active candidate for the Board, or an immediate family member of a Board member or active candidate for the Board.
- 3.2.7 Committee Members.** An MPOA member in good standing and who is properly designated to be a participant of a committee. Members of the Board will normally not be appointed as committee members. With the exception of the Covenants Committee, Budget and Finance Committee, and Election Committee, residents in the homes of Members in good standing may participate in standing or ad hoc committees in an advisory capacity.

- 3.2.8 **Committees' Coordinator.** A collateral duty of a Board member, with responsibility for coordination of the efforts of Standing and Ad Hoc Committees.
- 3.2.9 **Board Liaison.** A collateral duty of a Board member, with responsibility for providing advice regarding Board policy to a specific committee. In the case of the Election Committee, the Board Liaison shall not be an active candidate for the Board of Directors or an immediate family member, significant other, management company, or other immediate family members or significant others.
- 3.2.10 **Progress Report.** A detailed report (oral or written) of activities and progress made toward completion of a specific task.
- 3.2.11 **Final Report.** A report documenting actions taken to complete a specific task. The final report should detail cost figures or earnings for the task, specific problems encountered in completing the task, recommendations for commendations by the BOD for volunteers, staff members, or civic organizations, recommendations for future efforts, and should include copies of any publications generated as a part of the task.
- 3.2.12 **Annual Report.** A brief oral report made to the MPOA Membership at the Annual Meeting that outlines the major tasks and accomplishments of the committee during the fiscal year.
- 3.3 **Types of Committees.** There are three basic types of committees: Standing Committees, Ad Hoc Committees, and Committees of the Board.
- 3.3.1 **Standing Committees.** "Standing Committees" are organizations established by the Association Documents or by the BOD to perform long-term or continuous tasks. At present, the Standing Committees are:
- a. **Covenants Committee (CC)** – Through the Covenants Administrator; the CC receives and reviews all requests for alterations and additions made on or to existing structures and lots which have been conveyed to a homeowner. In carrying out its responsibilities, the CC strives to preserve the natural beauty of Montclair, maintain and enhance property values, and ensure that all modifications adhere to your protective covenants;
 1. **Modifications Subcommittee** – Charged with ensuring that proposed exterior alterations comply with the objectives set forth in the covenants. This involves regular and systematic review of all Property Improvement Request (PIR) applications for exterior alterations submitted by members;
 2. **Initial Construction Subcommittee** – Charged with reviewing new construction applications by builders and developers.
 - b. **Budget and Finance Committee** – The budget submitted annually for approval by the membership at the annual meeting is developed by the Budget & Finance Committee. The budget is developed to ensure sufficient funds are programmed into the annual operating budget, adequate reserve funds are retained, and to make recommendations to the Board of Directors concerning the establishment of formal policy related to the financial management of the Association;
 - c. **Community Events Committee** – The Community Events Committee sponsors traditional community-wide events, such as Montclair Day, 4th of July Celebration, and Oktoberfest. The Community Events Committee pursues the enhancement of community spirit and continually seeks additional opportunities to provide for the enjoyment of Montclair residents;
 - d. **Communications Committee** – The Communications Committee provides creative and technical methods to enhance all avenues of communications within the community as well as between the BOD and members of the association. The committee also suggests methods of facilitating information flow from sources outside of the Montclair community. These avenues of communication include but are not limited to the MPOA web site, the MPOA Facebook page, the *Montclairion*, FRSCconnect, mailings, and community bulletin boards.
 - e. **Election Committee** – The Election Committee oversees the election process at Annual Meetings and Special Meetings. Committee members provide recommendations on policies and rules governing the orderly and accurate registration of voters/proxies/ballots monitor the casting, collecting, and tallying of votes for the election of the Board of Directors, the adoption of the budget and other issues brought before the community for a vote;
 - f. **Lake Management Committee (LMC)** –The purpose of this committee is to oversee and manage lake dredging, maintenance of the dam, and lake ecology;
 - g. **Landscape and Facilities Management Committee (LFMC)** – The purpose of the committee is to oversee and manage the landscaping, improvements, and maintenance of facilities, structures, and common areas within Montclair;

3.3.1 Standing Committees (continued)

- h. **Safety Committee** – The Safety Committee provides review of policies, safety procedures, related statistical data and communication of such to the MPOA membership and makes input to the BOD to enhance and maintain safety within the community. Recommendations and actions of the Committee are to promote and support safety awareness and membership participation in programs such as Neighborhood Watch, general safety measures and crime prevention; and

Each committee is governed by a charter, which has been approved by the BOD. Charters for Standing Committees may be found in Enclosure (1) of this Article. Each Standing Committee shall review its charter annually and make any recommendation for changes to the BOD. Charters remain in effect until modified or cancelled by the BOD.

3.3.2 Initial Construction Subcommittee of the Covenants Committee. The Initial Construction Subcommittee, which has jurisdiction over original construction within Montclair, is comprised of five members, appointed by the President with the approval of the Board. Section 7.2(a) of the Amended Declaration outlines the authority and jurisdiction of the Initial Construction Subcommittee.

3.3.3 Ad Hoc Committees. “Ad Hoc Committees” are established by the BOD to address a specific problem. Ad Hoc Committees may only be established by the BOD. Ad Hoc Committees may be chartered or charged verbally by the President. That charge shall be documented by the President in a memorandum to the BOD. The charter or memorandum outlining a verbal charge for Ad Hoc Committees shall be maintained by the Association.

3.3.4 Committees of the Board. There are certain tasks that the Board may not delegate, but which are not conducive to being handled by the Board acting as a Committee of the Whole. Therefore, certain “Committees of the Board” have been established to handle these tasks. Committees of the Board are:

- a. Architectural Appeals Board (AAB) – The AAB must have three members whose terms are for three months that are staggered throughout the year;
- b. Business Review Board (BRB); and
- c. Montclairion Advisory Committee.

The President shall designate the chairperson and members of these committees. Membership shall generally rotate during the MPOA fiscal year. Charters for Committees of the Board may be found in Enclosure (2) of this Article. As with Standing Committees, these charters must be approved by the BOD and remain in effect until modified or cancelled by the BOD.

3.4 Line of Communication. The BOD shall communicate with its committees, via the chairperson, through the Committees’ Coordinator and the Board Liaisons. However, the Board may deal directly with any committee at any time the Board deems it necessary. Similarly, any chairperson may request to meet with the Board. Requests for personnel support and equipment are to be made by the chairperson to the Community Manager. The Community Manager is charged with assigning priorities to all requests for support and will keep a record of those requests and any action taken. This record will be included as part of the Manager’s Report at the Monthly Meeting of the BOD.

3.5 Relationship of the Board to Committees.

3.5.1 **General.** The BOD desires and encourages committees to provide advice and recommendations on all matters falling within a particular committee's area of concern and expertise to the Board.

3.5.2 **President.** The President is charged with the overall operations of the Association of which committee activities are a part. In this capacity the President is an ex officio member of every committee with the exception of the Election Committee. Responsibilities of the President include:

3.5.4 **Board Liaisons.** Board Liaisons, when named by the President, are responsible for the following:

- a. Working closely with the committee chairperson, providing advice to their specific committee regarding Board policies, and any additional direction that is deemed necessary or is provided by the BOD from time to time;
- b. Keep track of all actions directed by the BOD to their specific committee until the action is completed. Advise the BOD of any outstanding action items; and
- c. Forward to the BOD any requests from a committee chairperson for direction or action by the BOD.

In the event that Board Liaisons are not named, the Committees' Coordinator shall fulfill the responsibilities of the Board Liaisons.

3.6 **Relationship with the Agent.** The Agent provides support to all committees and assists the Committees' Coordinator in coordinating efforts of committees. The Community Manager sets the daily priorities for the on-site staff. The Agent shall bring to the prompt attention of the President any request for support by a committee that is beyond staff capabilities or the scope of the Agent's contract.

- 3.7 Responsibilities of Standing and Ad Hoc Committees.** Each member of a committee is responsible for assisting the chairperson in accomplishing the tasks assigned to the committee.

- 3.7.3 Publications.** All materials for publication by committees must be submitted in draft form to the Community Manager for appropriate action. The Community Manager will be responsible for editing and seeking appropriate approval of the publication. Distribution of the document will be determined by the Community Manager in consultation with the committee, or by the BOD, as appropriate.
- 3.7.4 Support.** Committees should utilize their own members to be as self sufficient as possible. Staff support should be considered as a back up to the committees. Committees shall seek to provide their own routine report preparation and distribution. Requests for staff support shall be made to the Community Manager on a timely basis to allow for prioritization of personnel time.
- 3.7.5 Finances.** Committees shall not incur expenses without prior approval of the Board, unless it is specifically outlined in the approved Annual Budget and coordinated through the Community Manager. All expenditures of funds and collection of any income shall be done in coordination with the Treasurer of the Association.
- 3.8 Committee Meetings.** Meetings will be scheduled by the chairperson at least quarterly or as often as necessary to accomplish the assigned tasks and objectives in the timeframes set forth in the activity plan. All meetings will be regulated by an agenda that is established by the chairperson based upon recommendations of the committee members prior to the meeting.
- 3.8.1 Participation.** Participation at committee meetings is limited to committee members, guests specifically invited by the committee, and Members who have actions pending before the committee (such as an individual with a Property Improvement Request to be considered at a meeting of the Covenants Committee). Other MPOA members may attend meetings. However, the deliberations of the Architectural Appeals Board and the Home Business Review Board are held in closed session. The President is an ex officio member of all Standing and Ad Hoc Committees, with the exception of the Election Committee. The Treasurer is an ex officio member of the Budget and Finance Committee. The Committees' Coordinator, Board Liaisons and Covenants Administrator may participate in committee meetings in an advisory capacity.
- 3.8.2 Location.** All committee meetings shall be held within Montclair, unless otherwise agreed upon by a majority of the committee membership. Committees are strongly encouraged to hold their meetings in the MPOA building.
- 3.8.3 Committee Records.** Records of committee meetings, activities, actions, and finances will be maintained by the chairperson. A copy of all correspondence, final reports, and annual reports will also be maintained. 3.9 **Reports.**
